Re: *Pollner v. United Healthcare Insurance Company*,
Civ. Act. No. 13-cv-1881(DRH)(GRB)
SDMA File No. 03246-000193

Dear Robert:

As you know, this office represents defendant United Healthcare Insurance Company (“United”) d/b/a Oxford Health Plans in the above-referenced matter. Please be advised that your responses to United’s First Request for Admissions and First Request for the Production of Documents (“discovery demands”) were due to be served on August 12, 2013. You are currently in default in providing these responses.

The discovery demands require that you admit that Dr. Pollner is not in possession of the assignment of benefit forms referenced in paragraph 8 of his Complaint. If this is denied, Dr. Pollner must produce all of the applicable assignment of benefits forms. We assume that your failure to comply with the discovery demands in a timely fashion is due to the fact that these assignments do not exist. Therefore, Dr. Pollner is neither a plan “participant” nor a “beneficiary” (*See ERISA §3(7)-(8), 29 U.S.C. §1002(7), (8)*), and he does not have statutory standing under ERISA to prosecute an action against United. *See American Med. Assoc. v. United Healthcare Corp.*, No. 00-cv-2800(LMM), 2001 WL 863561, *12-*13 (S.D.N.Y. July 31, 2001). Thus far, Dr. Pollner has failed to produce any evidence demonstrating that he is in possession of the relevant assignment of benefits forms. Indeed, in Dr. Pollner’s Rule 26(a) Initial Disclosure, which you executed, you did not reference his patients’ assignments of benefits as “documents in plaintiff’s possession which may be used to support plaintiff’s claims.” Nevertheless, in paragraph 8 of Dr. Pollner’s Complaint, you allege that Dr. Pollner’s patients “assigned their medical insurance benefits” to him. Without the executed assignment of benefits forms from each of those patients, it appears this allegation is frivolous. If Dr. Pollner is not in possession of the requested assignments of benefits forms, we request pursuant to Rule 11(b), Fed. R. Civ. P., that you seek leave of the Court to amend your Answer to withdraw this improper allegation within 21 days, or voluntarily dismiss this action due to Dr. Pollner’s lack of ERISA standing.

While we do not believe Dr. Pollner has standing to pursue this action, in an effort to resolve this matter we are providing the attached spreadsheet of the claims at issue in this litigation. As discussed at the July 31, 2013 Settlement Conference and further evidenced by the attached spreadsheet, Dr. Pollner was paid \$42,935.37 on the claims at issue in this matter. Please note that there are references to repricing by Omicare on 7 of the paid claims. As you may be aware, Omicare repricing was common prior to the implementation of the Administrative Policy for Non-Par Anesthesiologists in May of 2012. However, upon the implementation of the policy, all non-par claims including Dr. Pollner’s were properly denied as the Patients have expressly consented to financial responsibility for the charges. It appears that the 7 claims at

issue, totaling \$19,600, were paid in error after the implementation of the program. These constitute overpayments subject to recoupment.

As we have stated from the beginning of this dispute, Dr. Pollner's remedy lies with the Patients to whom services were rendered. They expressly consented to financial responsibility for the services, yet despite his lack of standing Dr. Pollner continues to pursue his claims directly against United. In an effort to resolve this matter, United is willing to forego any claims it has to the \$19,600 in overpaid claims as set forth above, if Dr. Pollner agrees to immediately dismiss his lawsuit with prejudice and execute a Release as to the claims in dispute.

Please have Dr. Pollner review this spreadsheet and indicate whether he agrees with the amounts paid. For any claims where he believes payment has not been made as indicated, we will provide check information confirming that payments were actually made to him. For those claims where no money was paid to Dr. Pollner, please provide the good faith factual basis upon which Dr. Pollner is relying to suggest that the applicable plans provide for Out-of-Network benefits that he is entitled to receive. To the extent that Dr. Pollner is unable to provide such a good faith basis, we will assume that you are not seeking additional information on those claims, including production the applicable individual plan documents for those claims as directed by Magistrate Brown.

, I am hopeful that we can resolve this matter quickly as set forth above. However, if we cannot reach agreement by August 30, 2013, we will be forced to file a motion to dismiss for lack of standing in which we will seek costs and attorneys fees pursuant to ERISA §502(g)(1). Furthermore, in the event that Dr. Pollner refuses to amend his Complaint to remove the above-referenced frivolous allegation (i.e. that his patients "assigned their medical insurance benefits" to him) within 21 days, we will similarly be forced to file a motion for sanctions pursuant to Rule 11(b), Fed. R. Civ. P. Finally, we will be required to file a counterclaim to seek reimbursement of the \$19,600 in overpaid claims as identified above, and we will request that Magistrate Brown issue a written order concerning this discovery ruling, so that we can formally object to the district judge regarding his directive requiring the production of plan documents.

At your earliest convenience, please contact me so that we can schedule a conference call for the week of August 26, 2013 to discuss these issues further.

Very truly yours,

Michael H. Bernstein
